Uvod

Korišćene tehnologije

Za izradu Web stranice korišćene su sledeće tehnologije:

- HTML 5
- CSS 3
- JavaScript (EcmaScript 6)
- jQuery
- JSON
- Ajax
- Git
- Ngnix
- PHP 7.0 (samo za template sistem)
- Digital Ocean
- Ubuntu
- Mozilla Quantum
- Bootstrap
- Atom

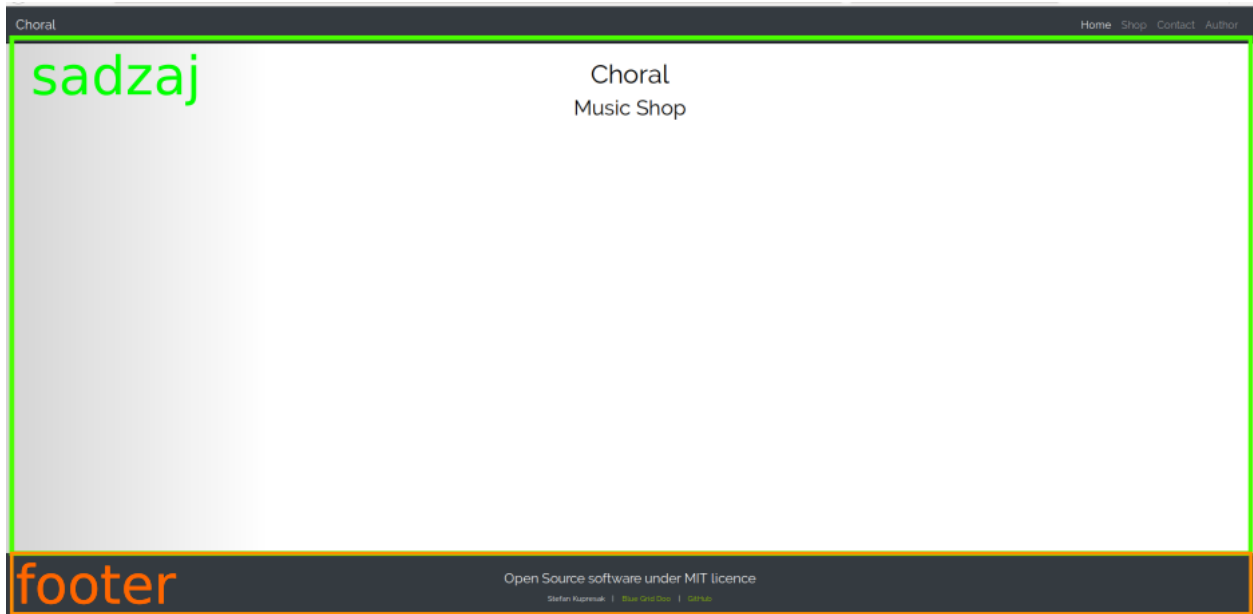

Hosting je realizovan preko DigitalOcean VPS-a i omogućen je build sistem preko github-a.

Opis funkcionalnosti

Sajt sadrži sledeće funkcionalnosti:

- **Dinamično učitavanje** proizvoda na stranici
- **Slajder** koji je ručno kreiran kao jQuery plugin
- **Konfiguracija** slajdera preko JSON-a
- **Upotreba JSON-a** na strani sa proizvodima za dinamično dohvaćanje
- **Plugin** za realizovanje animacija na kontakt formi
- **Bootstrap** za realizaciju layouta

```

Index.php

Index.html je stranica koja predstavlja reklamnu stranicu za sajt. Klikom na neko od tastera odlazi se na stranicu za listing tog pro

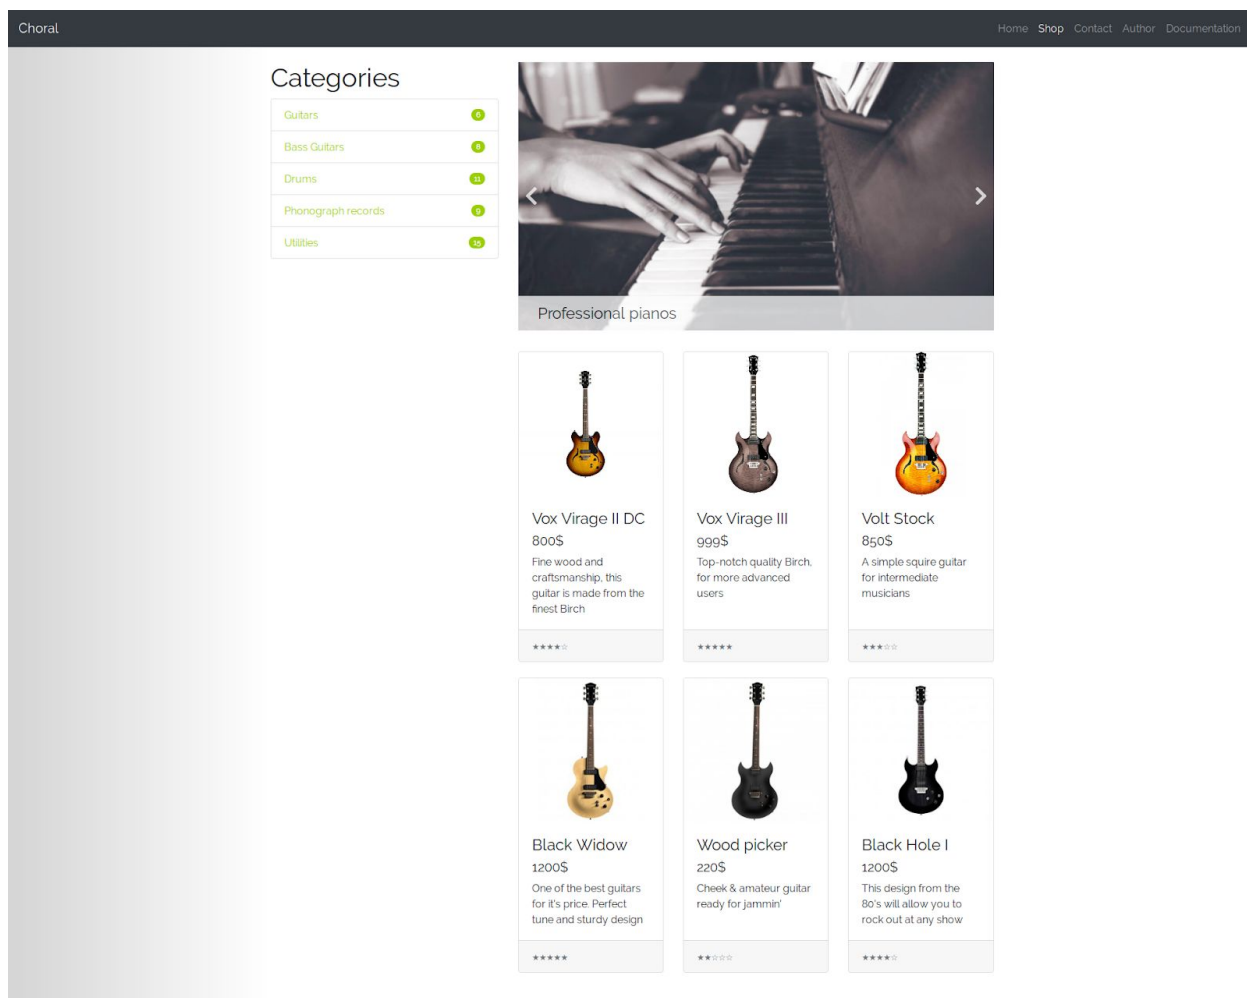

Store.php

Store stranica predstavlja stranicu za dohvaćanje informacije o proizvodima kao i moj sopstveni slajder. Sam slajder uzima JSON listu labela koje će prikazivati zajedno sa animacijom slajda. Ukoliko se kursor nalazi u slajderu, prestaje slajdovanje.

Klikom na kategorije sa leve strane dobija se novi izbor gitara na stranici.

Klikom na određeni proizvod otvara se isti u modalu korišćenjem čuvene lightbox biblioteke.

Takođe moguće je iskoristiti pretragu kako bi pretražili vidljive proizvode i naći određeni koji je potreban.

Contact.php

Kontakt je prosta stranica čija je jedina uloga da služi kao kontakt formular za sajt. Pritiskom na dugme navodno se šalje kontakt poruka serveru.

Takođe, formular se validira regularnim izrazima kako bi obezbedio validnost podataka.

The image is a composite of two parts. The left part shows a dark, semi-transparent overlay on a background of many colorful file folders. Inside the overlay, there is contact information organized into three sections: 'Address' with a location pin icon, 'Lets Talk' with a phone icon, and 'General Support' with an email icon. The text for 'Address' is 'Mada Center 8th floor, 379 Hudson St, New York, NY 10018 US'. The text for 'Lets Talk' is '+1 800 12 30079'. The text for 'General Support' is 'contact@example.com'. At the bottom of the folder stack, a white tag with the name 'Feliciano!' is visible. The right part of the image is a white rectangular area containing a contact form titled 'Send Us A Message'. The form has four main sections: 'TELL US YOUR NAME *' with sub-fields for 'First name' and 'Last name'; 'ENTER YOUR EMAIL *' with a placeholder 'Eg. example@email.com'; 'ENTER PHONE NUMBER' with a placeholder 'Eg. +1 800 000000'; and 'MESSAGE *' with a placeholder 'Write us a message'. A green button labeled 'SEND MESSAGE' is positioned at the bottom right of the form area.

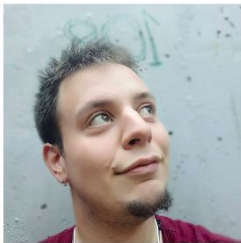

Author.php

Autor stranica sadrži neke osnovne informacije o meni (autoru sajta), kao i moje iskustvo i jezike u kojima radim.

{ ABOUT ME }

HI, MY NAME IS STEFAN KUPRESAK

And I'm a self taught full stack developer, employed as a big data developer at Blue Grid. I'm passionate about learning new technologies, and currently, I program in Elixir and Node JS. Functional community has driven me for the past year, and I really enjoyed switching over to the mindset that feels more right then the OOP approach.

FACTS ABOUT ME

- Like writing clean code and making project maintenance more easy and approachable
- Several open source GitHub projects in tons of programming languages
- Experience in working in teams and delivering high quality code fast

SKILL SET

Elixir	90%
Javascript	85%
Python	90%
Ruby	80%
PHP	75%

Like my Work?

Drop me an email at stefan.kupresak6816@ict.edu.rs Or contact me personally using the in-site contact form

And I'm a self though full stack developer, employed as a big data developer at Blue Grid. I'm passionate about learning new

technologies, and currently, I program in Elixir and Node JS.

Functional community has driven me for the past year, and I really enjoyed switching over to the mindset that

feels more right then the OOP approach.
